

DON'T MISS THE OPPORTUNITY TO SAVE TAX BEFORE 30 JUNE 2018

With the end of financial year (EOFY) approaching quickly, NOW is the time to discuss with us the actions you can take before 30 June to reduce your tax and grow your wealth.

For 2018, key priorities are likely to be:

- Maximising superannuation contributions without exceeding the relevant caps
- Bringing forward deductible expenses
- Deferring taxable income, and
- Managing capital gains.

This is the first EOFY since the super reforms came into effect. So, there are new contribution limits to consider, as well as new opportunities for you to grow your super and pay less tax.

Contact us today! The sooner we get started, the sooner we can help you save tax - well before 30 June for sufficient time to implement [tax saving strategies](#). For more information, check out our tax minimisation guides below:

Imagine what you could do with your tax saved?

- Reduce your home loan
- Top up your Super
- Have a holiday
- Deposit for an Investment Property
- Pay for your children's education
- Upgrade your car

We look forward to helping you.
